In this Christmas story, most of Uncle Mac's inventions don't work but this one, a helmet made from an old orange juice jug, is a window in time that makes the wearer an eye witness to the Nativity. As Uncle Mac twists the dials and punches buttons, scenes from Luke 2 come into view including the people in the streets talking about taxes, a woman and man seeking shelter in the inn, shepherds in the field, angels, and the stable scene with Baby Jesus in the manger.
