I And Thou

Martin Buber

I And Thou Martin Buber

Martin Buber's *I and Thou* has long been acclaimed as a classic. Many prominent writers have acknowledged its influence on their work; students of intellectual history consider it a landmark; and the generation born since World War II considers Buber as one of its prophets.

The need for a new English translation has been felt for many years. The old version was marred by many inaccuracies and misunderstandings, and its recurrent use of the archaic "thou" was seriously misleading.

Now Professor Walter Kaufmann, a distinguished writer and philosopher in his own right who was close to Buber, has retranslated the work at the request of Buber's family. He has added a wealth of informative footnotes to clarify obscurities and bring the reader closer to the original, and he has written a long

"Prologue" that opens up new perspectives on the book and on Buber's thought. This volume should provide a new basis for all future discussions of Buber.

From reader reviews:

Glenn Flinchum:

Why don't make it to become your habit? Right now, try to prepare your time to do the important action, like looking for your favorite book and reading a book. Beside you can solve your condition; you can add your knowledge by the publication entitled I And Thou. Try to face the book I And Thou as your friend. It means that it can be your friend when you experience alone and beside regarding course make you smarter than ever before. Yeah, it is very fortunate in your case. The book makes you much more confidence because you can know every thing by the book. So, let's make new experience and also knowledge with this book.

Mary Sexton:

Nowadays reading books become more and more than want or need but also work as a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge even the information inside the book which improve your knowledge and information. The data you get based on what kind of reserve you read, if you want send more knowledge just go with education and learning books but if you want experience happy read one with theme for entertaining like comic or novel. The I And Thou is kind of e-book which is giving the reader capricious experience.

Norman Brown:

Your reading sixth sense will not betray anyone, why because this I And Thou publication written by well-known writer we are excited for well how to make book that could be understand by anyone who else read the book. Written in good manner for you, dripping every ideas and writing skill only for eliminate your personal hunger then you still question I And Thou as good book but not only by the cover but also by content. This is one guide that can break don't judge book by its include, so do you still needing yet another sixth sense to pick this specific!? Oh come on your examining sixth sense already alerted you so why you have to listening to another sixth sense.

Nancy Barry:

This I And Thou is great reserve for you because the content that is full of information for you who all always deal with world and get to make decision every minute. That book reveal it details accurately using great coordinate word or we can state no rambling sentences inside. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with attractive delivering sentences. Having I And Thou in your hand like getting the world in your arm, information in it is not ridiculous one. We can say that no e-book that offer you world inside ten or fifteen minute right but this e-book already do that. So, this really is good reading book. Hi Mr. and Mrs. active do you still doubt that?
