Fellow impassioned Americans, how long has it been? How long have we been waiting for a moment like this? Just think! We, the American People – “The 99%” – have just been blessed with the opportunity to elect a president like no other; a leader poised to return America to its citizens. Indeed, Senator Bernie Sanders is not only the best candidate we've had in a woefully long time, he is, quite frankly, a revolutionary figure in the greatest sense of the term. Bernie Sanders is a man so full of integrity, so qualified to lead, so fit for the job of president, and so in-tune with the needs, pains, and yearnings of the average citizen, it makes the head spin in amazement and the imagination soar at the very wonder of it all. The wonder and the dream of what could be! Indeed, now, for the first time in many a year, we have the opportunity to elect a president whose every lofty idea, every well-thought-out plan, and every sincere promise for America is actually borne of and based upon the radical notion that a United States president should do what is right for We the People, not for whichever corporate donors have paid the most for his or her election and who, when the time comes to pay the piper, are going to want a hefty return on their investment. There remains one small detail: Bernie Sanders needs to get elected. "MANY MILLIONS STRONG: Your Victory Guide to a Bernie Sanders 2016 Presidential Landslide" is a how-to guide and call-to-action written for us: the millions of Americans who have come to understand that, in Bernie Sanders lies our greatest hope in taking our country back from the banks, the billionaires, and the corporations who have literally lowered the quality of life for average working Americans by: - Financing campaigns for candidates willing to be bought and then bent to their own needs and wants - siphoning money from workers in the form of wages that have fallen far below cost-of-living increases - siphoning money from the U.S. budget through hundreds of billions in handouts, subsidies, and the insidious use of off-shore tax havens with which to rake in billions and pay no income tax whatsoever Bernie Sanders is not for sale! He cannot be bought. Neither banks, nor billionaires, nor corporations can exert influence over him. Furthermore, as he is a man with a proven five-decade history of integrity and compassion, his ONLY interest is helping the people of America -- the greatest nation on Earth -- to reclaim their opportunity to LIVE the greatest life on Earth. Just imagine living in a nation which: - provides universal single-payer health care - provides free public college tuition - mandates a \$15 federal minimum wage: a wage that does NOT result in a man or woman working 40 hours a week and living in poverty - pays for programs like these by using our tax dollars for US -- not for bank bailouts, corporate subsidies, corporate tax nonpayment, over-the-top defense spending and wars of aggression. This book will INSPIRE you to act on behalf of our next great leader. It will SHOW you how to help spread Bernie's ideas. It will provide you with the facts, figures, conviction, and wording to SPEAK to others in a way that will help them see the truth that, when it comes to living a great life in the greatest nation, Bernie Sanders is, indeed our best hope and our only choice. It will TEACH you how you can become a part of history ... history that is on the bring of unfolding! You say you want a revolution? Read this book and then join with us, the many millions strong, and make it happen!
