Studs Lonigan (Penguin Twentieth-Century Classics)

James T. Farrell

Studs Lonigan (Penguin Twentieth-Century Classics) James T. Farrell

Collected here in one volume is James T. Farrell's renowned trilogy of the youth, early manhood, and death of Studs Lonigan: **Young Lonigan**, **The Young Manhood of Studs Lonigan**, and **Judgment Day**. In this relentlessly naturalistic portrait, Studs starts out his life full of vigor and ambition, qualities that are crushed by the Chicago youth's limited social and economic environment. Studs's swaggering and vicious comrades, his narrow family, and his educational and religious background lead him to a life of futile dissipation. Ann Douglas provides an illuminating introductory essay to Farrell's masterpiece, one of the greatest novels of American literature.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

From the Trade Paperback edition.

From reader reviews:

Bertie Lewis:

What do you consider book? It is just for students because they are still students or the item for all people in the world, the actual best subject for that? Merely you can be answered for that concern above. Every person has diverse personality and hobby per other. Don't to be forced someone or something that they don't need do that. You must know how great and also important the book Studs Lonigan (Penguin Twentieth-Century Classics). All type of book is it possible to see on many options. You can look for the internet options or other social media.

Isaias McGee:

People live in this new time of lifestyle always aim to and must have the time or they will get lot of stress from both lifestyle and work. So , once we ask do people have time, we will say absolutely yes. People is human not only a robot. Then we consult again, what kind of activity have you got when the spare time coming to you of course your answer may unlimited right. Then do you try this one, reading books. It can be your alternative in spending your spare time, typically the book you have read is Studs Lonigan (Penguin Twentieth-Century Classics).

Aaron Eldred:

Reading a book being new life style in this season; every people loves to study a book. When you study a book you can get a lots of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information onto it. The information that you will get depend on what types of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself read a fiction books, this kind of us novel, comics, and also soon. The Studs Lonigan (Penguin Twentieth-Century Classics) will give you a new experience in reading through a book.

Jennifer Fountain:

Is it an individual who having spare time subsequently spend it whole day by simply watching television programs or just laying on the bed? Do you need something new? This Studs Lonigan (Penguin Twentieth-Century Classics) can be the solution, oh how comes? The new book you know. You are so out of date, spending your time by reading in this completely new era is common not a geek activity. So what these publications have than the others?
