## The Collected Poems of Ai Ai

**“Ai is a truthteller picking her way through the burning rocks of racial and sexual lies.”?Joy Harjo**

Before her untimely death in 2010, Ai, known for her searing dramatic monologues, was hailed as “one of the most singular voices of her generation” (*New York Times Book Review*). Now for the first time, all eight books by this essential and uniquely American poet have been gathered in one volume.

*from “The Cockfighter’s Daughter”*

*I found my father,  
face down, in his homemade chili  
and had to hit the bowl  
with a hammer to get it off,  
then scrape the pinto beans  
and chunks of ground beef  
off his face with a knife.*
