Top 100 Health Care Careers: Your Complete Guidebook To Training And Jobs In Allied Health, Nursing, Medicine, And More 2nd Edition Saul Wischnitzer, Edith Wischnitzer

A career guidance manual, including how to choose the health-care career that is best for you, how to get the required education, and how to relate to patients. It contains a detailed overview of 100 jobs, including scope, activities, educational requirements, salary range, advancement, certification, and outlook, and a directory of education and training programs for each of the 100 featured careers--thousands of programs in all 50 states and Canada. Plus, there's a self-assessment for choosing the right career in the field, guidance on the common admissions tests for health-care programs, information on financial aid, and complete job search tips, including sample resumes and cover letters. This second edition has 19 new careers, including physicians and dentists, for a total of 100, plus more Web resources, and the listing of education and training programs has been expanded.
