Anthropology of Race: Genes, Biology, and Culture (School for Advanced Research Advanced Seminar Series)

Anthropology of Race: Genes, Biology, and Culture (School for Advanced Research Advanced Seminar Series)

What do we know about race today? After years of debate and inquiry by anthropologists, the question remains fraught with emotion and the answer remains complicated and uncertain. *Anthropology of Race* confronts the challenge of formulating an effective rejoinder to new arguments and new data about race, and attempts to address the intense desire to understand race and why it matters.
