This may be the most honest book ever written about Jesus. As a veteran pastor in the United Church of Christ, Dr. Watson shares his thoughts on the timeless topic of Christology--the doctrine of Christ--with new and creative insights, informative and accessible theology, personal anecdotes, and lively wit. Nothing is off-limits in this no-holds-barred contribution to the Jesus genre. Big Jesus is not another theological "spin" on the identity and nature of Jesus of Nazareth, nor is it a sentimental fairytale for those who prefer their Christology to be served up on Sunday mornings with fluffy sheep, little children, and footprints in the sand. This book is for Christian adults with a sense of humor.
