\*\*\*Notice: This is a special Collectors Edition, trade-paperback volume, which includes Black and White original illustrations. It is a short novel, of approximately 60,000 words in length/227 pages\*\*\* On the outside, Dina Demille is the epitome of normal. She runs a quaint Victorian Bed and Breakfast in a small Texas town, owns a Shih Tzu named Beast, and is a perfect neighbor, whose biggest problem should be what to serve her guests for breakfast. But Dina is...different: Her broom is a deadly weapon; her Inn is magic and thinks for itself. Meant to be a lodging for otherworldly visitors, the only permanent guest is a retired Galactic aristocrat who can't leave the grounds because she's responsible for the deaths of millions and someone might shoot her on sight. Under the circumstances, "normal" is a bit of a stretch for Dina. And now, something with wicked claws and deepwater teeth has begun to hunt at night....Feeling responsible for her neighbors, Dina decides to get involved. Before long, she has to juggle dealing with the annoyingly attractive, ex-military, new neighbor, Sean Evans—an alpha-strain werewolf—and the equally arresting cosmic vampire soldier, Arland, while trying to keep her inn and its guests safe. But the enemy she's facing is unlike anything she's ever encountered before. It's smart, vicious, and lethal, and putting herself between this creature and her neighbors might just cost her everything. "Andrews is an auto-buy no matter what the genre!" —Romantic Times "If there is one author that defines Urban Fantasy, it is Ilona Andrews." —Annie Tegelan, Fresh Fiction "One of the brightest voices in urban fantasy and one of my favorite authors. Ilona Andrews delivers only the best." —New York Times bestselling author Jeaniene Frost
