## Dictionary of J.W.ese David Reed

Jehovah's Witnesses have a unique vocabulary incomprehensible to outsiders. They also use familiar Christian terms to mean something different from standard usage. This book is a dictionary of such "J.W.ese" language. Moreover, it explains how JWs engage in doubletalk when speaking with outsiders, and tells the reader how to break through that doubletalk to share the Gospel of Christ with those trapped inside the cult. Reed is the author of "Answering Jehovah's Witnesses Subject by Subject" and the popular book "Jehovah's Witnesses Answered Verse by Verse." This "Dictionary of J.W.ese" was originally published in 1997 under the title "Jehovah-Talk" by Baker Book House. This volume is the 2010 Lulu edition.
