This story will take you where no frictional book has ever dared go! Hometown as well as Fall City are places where drug traffic is out of control managed by very prominent Hometown business folks. Their Hometown store fronts hide the darkside of Hometown and like the song claims they smile in your face! I address Hometown drinking water issues and of illegal dumping of toxic waste setforth for the next generation to consume. Your grandchildren. Can you imagine that toxic waste dumps still exist in the year 2007? Unidentified! I further share with the reader of our automotive industries long gone but, just how great these yesterday autos would serve in today's society. The Studebaker Lark would serve America as well as the world today. However I leave all of this up to you the read. Enjoy! Robert J. Wilson
