**Compelling stories of fatherhood from the popular NPR radio show**

From the popular radio series *This I Believe* comes this touching and thought-provoking compilation of original essays on one of the most fundamental of human relationships-fatherhood. It is a relationship filled with joy and heartbreak, love and anger, lessons learned, and opportunities missed.

The stories in this collection are engaging and meaningful. Some are reverential and loving; some are sad and clouded by yearning, loss, and regret: You'll read reflections from expectant and new dads, full of optimism, as well as from longtime parents who, through the distance of time, are able to reflect on their successes and failures as fathers.

We also hear from children (some young and some well into adulthood) writing about their fathers. They honestly and openly introduce us to the men who shaped them, sometimes in surprising ways. They talk about the fathers they want to emulate, the mistakes they hope to avoid repeating, and the wisdom they realized they've gained.

*This I Believe: On Fatherhood* offers a compelling portrait of the diverse range of experiences and beliefs related to the father-child relationship. With personal insights and inspiration, this collection makes a wonderful gift for long-time fathers, new fathers, and fathers-to-be.
