To Ride a White Horse Pamela Ford

Award-winning author, Pamela Ford, delivers *"a sweeping historical love story that hits all the marks."*(*Publishers Weekly* starred review)

Your feet will bring you to where your heart is. Set against the backdrop of 1840s Ireland and America, *To Ride a White Horse* is an epic historical saga of hope, loyalty, the strength of the human spirit, and the power of love.

With Ireland ravaged by famine, and England unsympathetic to its plight, Kathleen Deacey, a spirited and strong-willed young Irish woman faces a devastating choice--leave her country to find work or risk dying there. Despising the English for refusing to help Ireland, she sets sail for Canada, determined to save her family and find her missing fiancé.

But her voyage doesn't go as planned and she ends up in America, forced to accept the help of an English whaling captain, Jack Montgomery, to survive. As Jack helps her search for her fiancé and fight to save her family and country, she must make an impossible choice--remain loyal to Ireland or follow her heart.

With insight and compassion, award-winning author Pamela Ford captures the anguish of a devastating period in Irish history, illuminates the resilience of the human spirit and celebrates the strength of love. *To Ride a White Horse* is a deeply-moving novel that wraps itself around the heart and doesn't let go.
