When it comes to marketing, nothing beats good word of mouth. But how do you get your customers talking? This friendly guide shows you step--by--step how to create and implement an effective public relations strategy for pennies on the dollar compared to the cost of advertising. Public Relations Kit For Dummies gives you all the tools you need to spread the word about your product or service, without a PR agency. All it takes is effort and the straightforward guidelines you'll find in this helpful guide. If you're a small business owner or manager or an entrepreneur, good PR will give you an advantage over your competition. If you're a corporate manager or executive, you need an effective public relations program to communicate with your target market without increasing ad spending. In Public Relations Kit For Dummies, you'll discover how to: Map a winning PR strategy Grab attention with press releases, interviews, and events Cultivate good media relations Get print, TV, radio, and Internet coverage Manage crises This book is packed with successful ideas, techniques, and campaigns that really worked -- and you can customize them to fit your clientele, product, or service. This friendly guide shows you how PR works, how to brainstorm for creative ideas, how to deliver your message to the media, and how to create buzz. And there's more: Developing and stick to a budget Building an in--house PR department Specific PR tactics like contests, surveys, and tie--ins Company newsletters Writing query letters and pitch letters Handling yourself in interviews Turning bad press into good publicity Developing a contact list Specific strategies for radio, TV, newspapers, and new media Handling crises Measuring PR results The book also includes a CD--ROM full of helpful PR forms, checklists, and templates; lists of resources like PR firms and media outlets; and software programs that makes PR simple. If you want people to notice your product or service, Public Relations Kit For Dummies is the only resource you need.

From reader reviews:

Nancy Farley:

Book is definitely written, printed, or descriptive for everything. You can learn everything you want by a e-book. Book has a different type. To be sure that book is important factor to bring us around the world. Beside that you can your reading ability was fluently. A guide Public Relations Kit For Dummies (For Dummies (Lifestyles Paperback)) will make you to be smarter. You can feel considerably more confidence if you can know about every thing. But some of you think in which open or reading a book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you seeking best book or ideal book with you?

Margaret Barone:

What do you concerning book? It is not important along? Or just adding material when you need something to explain what your own problem? How about your free time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is make one feel bored faster. And you have time? What did you do? Everybody has many questions above. They have to answer that question since just their can do this. It said that about book. Book is familiar in each person. Yes, it is proper. Because start from on kindergarten until university need this kind of Public Relations Kit For Dummies (For Dummies (Lifestyles Paperback)) to read.

Benjamin Aldridge:

Nowadays reading books become more and more than want or need but also become a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge your information inside the book this improve your knowledge and information. The details you get based on what kind of book you read, if you want have more knowledge just go with knowledge books but if you want sense happy read one having theme for entertaining for instance comic or novel. The Public Relations Kit For Dummies (For Dummies (Lifestyles Paperback)) is kind of publication which is giving the reader erratic experience.

George Tucker:

A lot of people always spent their very own free time to vacation or even go to the outside with them family or their friend. Did you know? Many a lot of people spent they will free time just watching TV, as well as playing video games all day long. In order to try to find a new activity that's look different you can read the book. It is really fun in your case. If you enjoy the book that you read you can spent all day every day to reading a guide. The book Public Relations Kit For Dummies (For Dummies (Lifestyles Paperback)) it is rather good to read. There are a lot of folks that recommended this book. These people were enjoying reading this book. In the event you did not have enough space to develop this book you can buy the particular e-book. You can m0ore quickly to read this book from the smart phone. The price is not very

costly but this book possesses high quality.
