## **The Ophelia Cut (Dismas Hardy)** John Lescroart

*New York Times* bestselling author John Lescroart's most beloved protagonist returns in a masterful novel that showcases his extraordinary storytelling gifts: a cast of flesh-and-blood characters, morally complex situations, and relentless, nail-biting suspense.

When his brother-in-law and old friend Moses McGuire is the prime suspect in the murder of his own daughter's rapist, attorney Dismas Hardy agrees to defend him. But McGuire has fallen off the wagon, and his stay in prison could bring to light old secrets that would destroy Hardy and his closest colleagues' careers. As the overwhelming evidence against McGuire piles up, Hardy focuses on planting doubt in the minds of the jurors—until, in a feat of legal ingenuity that is staggering in both its implications and its simplicity, he sees a new way forward that might just save them all. But at what price?
