From *New York Times* bestselling author Wendy Corsi Staub comes the first in a terrifying new series set in a small town with a sinister secret

The razor's gleaming blade slices effortlessly through skin and tendon, and he relishes the final anguished moments of his prey. There's only one thing he prizes more: their long, silken strands of red hair. But these women are merely stand-ins . . . a prelude to his ultimate victim.

Nestled in New York's Hudson Valley, Mundy's Landing is famous for its picturesque setting—and for a century-old string of gruesome unsolved murders. Rowan returned to her hometown years ago, fleeing a momentary mistake that could have destroyed her family. Life is good here. Peaceful. Until an anonymous gift brings Rowan's fears to life again.

The town's violent history was just the beginning. Soon everyone in Mundy's Landing will know that the past cannot be forgotten or forgiven—not until every sin has been paid for, in blood.

#### **Natalie Renz:**

As a college student exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just minor students that has reading's spirit or real their pastime. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Blood Red: Mundy's Landing Book One can make you really feel more interested to read.
