A fugitive King. A family at the mercy of men of power and violence.

Brand and his family live simple lives in their quiet corner of Somerset. The war that Wessex wages against the heathen Danes takes place far away and is of no concern to them.

But when a desperate war-band descends upon them one winter night their lives are changed forever. They are thrown into a dark world of savage warfare, lust, revenge and murder.

Brand believes he can decide the path that he and his family must tread. But others have very different ideas. At stake is the survival of the kingdom. And now their lives are bound up with the fugitive King Alfred of Wessex.

A gripping story from an accomplished author. Elaine Jeremiah. Author.

The emotional content of the book is one of the highlights of the narrative. The characters are well written, the action flows seamlessly and the reader is left with a feeling as if they had been there. Paul Bennett.

Fast paced from the start, the story blossoms as you read.

A new novel from the author of The Lost King series.
