## Taiwan Since Martial Law

This book is co-published by Shung Ye Museum of Formosan Aborigines, University of California, Berkeley and National Taiwan University Press. Taiwan Since Martial Law epitomizes the reinvigoration of cultural pluralism, which characterizes the dynamic processes of democratized Taiwan. With the lifting of martial law in 1987, people have awakened to their respective cultural identities and contributed to a sociopolitical renaissance strengthening the island's sense of national destiny and commitment to self-determination. Nineteen chapters highlight Taiwan's social and cultural diversity and the complexities of its politics and economy. The preface by Bo Tedards depicts the avenues of Taiwan's democratization with his 'trajectories' of political alternatives. The opening chapter by the editor David Blundell traces his personal experiences during the martial law transition and his reflections on an emerging Taiwan "sense of place." Pro-democracy activists organized to demand free elections, human rights, respect for local heritages, and environmental sustainability.
