## Do You QuantumThink?: New Thinking That Will Rock Your World Dianne Collins

The world is changing at a dizzying pace. We're all looking for new ways of thinking that can bring about real solutions to modern problems, from the pursuit of inner serenity to solving world conflicts. In *Do You QuantumThink?* bestselling author Dianne Collins shares her ingenious discovery that reveals a critical missing link to make sense of our changing times. Her discovery provides us with the understanding and methodology to rise above problems of today by laying the foundation for an entirely new way to think.

Part science, part philosophy, part spirituality, *Do You QuantumThink?* draws on a wide spectrum of sources, from cutting edge innovations in the sciences to the insights of the world's greatest spiritual leaders. This book will make you laugh, free you from limiting ideas, and introduce you to the most advanced principles and practical methods for living. *Do You QuantumThink?* will rock your world in the best of ways as you experience one revelation after another.

**We're in a quantum age yet we're still attempting to use industrial age thinking --** despite the fact that ordinary logic and step-by-step "how-to's" have long since reached their limits of effectiveness in our 24/7 fast-paced world of increasing complexity and infinite choice.

**QuantumThink® is a new system of thinking - 21 principles and practices for the mind and awareness** that have us *take a literal quantum leap in our thinking as we read*. We develop a new awareness and update ourselves with more accurate and current knowledge necessary for living a masterful life.

**In Part 1 Wake Up we are taken on an exhilarating, entertaining ride -- looking at the current situation of human culture.** We connect to the nature of wisdom, mind, and mastery -- and understand why it's not just important but *essential* for us to expand our world view and the "mistaken" assumptions we've been living in.

**In Part 2 Live the Wisdom we are offered the entire set of 21 distinctions in new thinking that have us "living fully dimensionally."**

This is uniquely new thinking that has the power to change the course of human destiny as well as your own. It's a book that is truly "a friend for life."
