Lessons in Love for Hannah Leigh Marie Jo Baldwin

When author Marie Baldwin was asked by a young woman to respond to some questions regarding marriage, she readily agreed. She had been married 35 years and was a pastor's wife. How hard could that be? But when she received the questions, there were more than a few and they were more complex than she ever imagined. Thus began her journey back. Back to her own starry-eyed ideas of marriage and how she had learned to love. Although Lessons in Love is a personal response to one young woman, its' wisdom is timely for anyone, man or woman, who desires to love well.
