Hermann Hesse

Siddhartha (Modern Library) Hermann Hesse

Hermann Hesse's classic novel *Siddhartha* has delighted, inspired, and influenced generations of readers, writers, and thinkers. Though set in a place and time far removed from the Germany of 1922, the year of the book's debut, the novel is infused with the sensibilities of Hesse's time, synthesizing disparate philosophies—Eastern religions, Jungian archetypes, Western individualism—into a unique vision of life as expressed through one man's search for meaning.

It is the story of the quest of Siddhartha, a wealthy Indian Brahmin who casts off a life of privilege and comfort to seek spiritual fulfillment and wisdom. On his journey, Siddhartha encounters wandering ascetics, Buddhist monks, and successful merchants, as well as a courtesan named Kamala and a simple ferryman who has attained enlightenment. Traveling among these people and experiencing life's vital passages—love, work, friendship, and fatherhood—Siddhartha discovers that true knowledge is guided from within.

Susan Bernofsky's magnificent new translation brings out Hesse's inspired lyricism and his elegant, melodious cadences, illuminating the novel's universal themes and timeless wisdom about the human condition.

This original Modern Library edition includes a lively new Introduction by Tom Robbins and a glossary of Indian terms.

From reader reviews:

Vernie Ruiz:

Book is to be different for every grade. Book for children until adult are different content. As it is known to us that book is very important for us. The book Siddhartha (Modern Library) was making you to know about other understanding and of course you can take more information. It is rather advantages for you. The e-book Siddhartha (Modern Library) is not only giving you more new information but also to be your friend when you sense bored. You can spend your own spend time to read your reserve. Try to make relationship together with the book Siddhartha (Modern Library). You never feel lose out for everything when you read some books.

George Kirby:

Siddhartha (Modern Library) can be one of your basic books that are good idea. Many of us recommend that straight away because this publication has good vocabulary which could increase your knowledge in language, easy to understand, bit entertaining but still delivering the information. The copy writer giving his/her effort to set every word into pleasure arrangement in writing Siddhartha (Modern Library) but doesn't forget the main point, giving the reader the hottest and also based confirm resource data that maybe you can be one of it. This great information can easily drawn you into new stage of crucial contemplating.

James Chapman:

Your reading sixth sense will not betray a person, why because this Siddhartha (Modern Library) book written by well-known writer who really knows well how to make book which might be understand by anyone who all read the book. Written with good manner for you, still dripping wet every ideas and composing skill only for eliminate your current hunger then you still doubt Siddhartha (Modern Library) as good book not merely by the cover but also through the content. This is one book that can break don't evaluate book by its deal with, so do you still needing another sixth sense to pick that!? Oh come on your reading through sixth sense already told you so why you have to listening to a different sixth sense.

Edward McCain:

This Siddhartha (Modern Library) is great publication for you because the content that is full of information for you who also always deal with world and still have to make decision every minute. This particular book reveal it information accurately using great manage word or we can state no rambling sentences inside it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but hard core information with wonderful delivering sentences. Having Siddhartha (Modern Library) in your hand like finding the world in your arm, data in it is not ridiculous just one. We can say that no reserve that offer you world with ten or fifteen tiny right but this publication already do that. So , it is good reading book. Hi Mr. and Mrs. occupied do you still doubt in which?
