Gustav Palm kept his secret for more than forty years. He had been a young man when Hitler invaded his native Norway. After being forced to guard a Nazi prison camp, however, Gustav took his only option for escape: he volunteered for the Waffen-SS to fight at the front. Agnes Erdös grew up in privilege and prosperity as a child in Hungary. She and her parents were practicing Roman Catholics, but they were ethnic Jews, and after the Nazis invaded her country, Agnes and her parents were sent to the death camp of Auschwitz-Birkenau. Miraculously, both Agnes and Gustav survived. And after the war, they found each other. Told in their own words, *Surviving Hitler* is the story of two indomitable spirits who built on their life-altering experiences to overcome the past, help each other heal, and embrace a common faith in God that led them to The Church of Jesus Christ of Latter-day Saints.

Jessie Davis:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's internal or real their passion. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Surviving Hitler: The Unlikely True Story of an SS Soldier and a Jewish Woman can make you feel more interested to read.
