I reevaluated my life as an example to my daughter. Is the kind of life I'm living now the kind of life I wanted for my daughter? The answer was no. And if I thought she deserves better, so did I. She was my game-changer, and I changed the game... You know how people say 'things have to get worse before they get better,' well they were absolutely right... I hit rock bottom. I was everything I never wanted to be... The good thing about hitting rock bottom was there was only one way to go... up."
