## **Love at Last Sight** Thea Bowering

"So I have always walked alleys alone, with my monster face, listening through a wall for the words that might cultivate me, that are contained within the homes of ex-lovers, the ones who caught a glimpse and ran away". In the neon-slick streets of Thea Bowering's imagination, monster girls and femme flaneurs roam, anthropologists eyes on barroom denizens, disguising themselves in mens clothing and embarking on doomed love affairs. Old World meets New World as the cafes and piazzas of Europes capitals intermingle with the dust and desolation of the 21st Century modern West. Strikingly modern while also filled with fin de siecle regret, Thea Bowering's first story collection is shot through with allusion and timeless themes given new life".
