Only You Rosemary Wells

With tender illustrations and prose as warm as a parent's embrace, this love poem from a baby bear to his mother celebrates the intimate bond between young children and parents everywhere. Whether playing together, reading together, or snuggling close in a favorite chair, this baby bear and his mama love to spend lots of time with just each other. Their devoted relationship points to the simple activities that hold vast importance in a growing child's world, and makes clear the essential role that only a loving parent can play in helping a child develop.

In this special partnership with the early childhood organization Jumpstart, esteemed children's book author and illustrator Rosemary Wells has created a book that no parent should be without.
