Floyd Gottfredson

Walt Disney's Mickey Mouse: Color Sundays Vol. 1 "Call Of The Wild" Floyd Gottfredson

Our first full-color Mickey Mouse comic strip collection guest stars Donald Duck and features many never-before-reprinted strips.

We're jumping from black and white to classic color?as Floyd Gottfredson's *Mickey Mouse* series makes its 1932-35 Sunday strip debut! Bright hues highlight our hero as he enjoys four years' worth of wild weekend epics... taking him from Uncle Mortimer's Wild West ranch to the icy peak of frigid Mount Fishflake! And in this volume, Mickey is joined by a famous co-star: Donald Duck! Floyd Gottfredson, artist of the Sunday *Mickey Mouse* from 1932-38, created the most famous Mickey tales ever told in print. These Sunday specials?many never before reprinted?also feature the work of later *Donald Duck* master Al Taliaferro. Collectively, they form a collection that fans have been seeking for a lifetime! Highlights include "Mickey's Nephews," introducing Morty and Ferdie Fieldmouse, and "Dr. Oofgay's Secret Serum," which turns Horace Horsecollar into a brainwashed wild mustang! Classic gag stories round out the book, offering manic Mouse mischief at a fever pitch. Restored from Disney's art sources and enhanced with a meticulous recreation of the strips' original color, *Call of the Wild* also brings you more than 30 pages of chromatic supplementary features! You'll enjoy rare behind-the-scenes art, vintage publicity material, and fascinating commentary by a prismatic pack of Disney scholars.

NOTE: Mickey Mouse Color Sundays: Call of the Wild contains cartoon violence and historically dated content presented in context.

Full color illustrations throughout
