He had made a proposal of marriage... to a woman who is now the most scandalous female in London. When Gabriel Warren, the handsome Earl of Angelwood, offered marriage to Lady Lilith Mallory, he thought his happiness was complete. But then they were, discovered in *very* compromising circumstances -- and she disappeared. Now, years later, Gabriel enters a notorious London gaming club to shockingly discover that the innocent woman he'd once wanted for his bride is now its seductive owner.

Lilith is astonished at the sight of Gabriel, and part of her longs to relive the days -- and nights -- spent in his arms. But the man she once loved can destroy the livelihood she has made for herself. For Gabriel is now a powerful man, one who is determined to shut down her establishment. Yet with each touch, each kiss, she begins to wonder if they could ever have a future -- and overcome the scandals of their past.
