I f\*\*\*ked a SEAL—the human kind, the kind who shoots terrorists, sports rock hard abs and tattooed biceps, and scores an easy lay with every girl he ever wants. I should've known better. I should be studying harbor seals' native habits, not conducting my own research into mating rituals of the Navy variety. He's a jackass. An arrogant, womanizing, patronizing, Harley-riding jerk. A one-night stand. One night of the most incredible sex I've ever had. Shane is trained to kill with his bare hands in 300 different ways—and he knows 300 ways to f\*\*\*k me, too. Now my father is engaged to his mother. And we're heading to Mexico for the wedding. The prick is blackmailing me. He's threatening to ruin their big day if I don't surrender to his demands. Quit is not in his vocabulary. I hate him, but I know he'll never give up until he gets everything he wants. Screw that! I won't give up—I'll never submit to America's cockiest badass.
