- A standalone novel in the Equilibria Collection -

At her birth, flames had licked around her skin, flickering over her infant form and glittering in the darkness of the birthing chamber. The Alomancer declared her one of five contenders for the crown. She became a Princess of Fire.

She learned how to control her flames, to harness them and how to lead as Queen. Locked away and safe from corruption, she met her people, each day receiving a new tutor from the citizens of Pyrrhos. Training from birth for the tasks ahead; she always felt alone.

At sixteen, Kenna stands as one of five princesses, ready to compete for the crown.

Who can win? What will be the price? Will she stand with her sisters, or move against them in pursuit of the throne?
