“God revealed himself in Jesus Christ!” Christian faith has confessed and proclaimed this message for nearly two thousand years. But what does it really mean?

In *God the Revealed* Michael Welker delves into this declaration and shows how it offers genuine insight into Christian faith. He asks “Who is Jesus Christ for us today?” and approaches the answer from five different angles -- the historical Jesus, the resurrection, the cross, the reign of Christ, and eschatology. Uniquely, Welker argues for the need to place historical Jesus research in a Christology and proposes a “Fourth Quest” for the historical Jesus.
