## **Hebron Journal** Arthur Gish

Art Gish records a moving story of the turmoil and suffering of the Palestinian people, the agony experienced by Israelis, and a vision of hope and new possibilities of reconciliation between Jews, Muslims, and Christians. From 1995 to 2001, Art Gish experiences living with Muslim families, engaging in nonviolent actions with Israelis and Palestinians, and struggling to find creative responses to injustice. Selected excerpts from his journal tell of the Christian Peacemaker Teams work and give us a vision of how small peacemaking groups make a difference in violent conflicts.
