Fight With Reason: Using Logic to Look at the World George R. Khouri

Armed with logic and bags of careful research, George R. Khouri takes a look at some of the wild claims people make and presents the most reasonable explanations for them. Covering topics such as alien visitations, psychic abilities, conspiracy theories, ghosts, bigfoot, alternative medicine and magical thinking, he shows that sometimes being grounded in reality means you don't have to jump too far for conclusions.
