## **Forget (Changing Colors Book 1)** N.A. Alcorn

Sexy, tattooed, rocker, Dylan is a dangerous combination of alpha and beta, all seductive bad-boy and tender lover.

"Do you need reminding? Do you want me to show you how good it feels when you let go? Answer me, love."

\*\*\*\*\*

Brooke Sawyer is a successful record producer living in L.A. While attempting to escape her painful past, she sets off on a month long trip to Paris. The last thing she's expecting is to fall in love with gorgeous, tattooed, musician, Dylan Bissette.

To Dylan, Brooke is like an intricate guitar riff he can't resist. One he'd gladly play over and over.

Lost in his magnetizing presence, Brooke isn't in any rush to let their song come to an end.

Meeting him was fate.

Pursuing her was a choice.

Falling in love was out of their control.

Sometimes the best way to keep a secret is to pretend there isn't one.

Note from the author: Changing Colors is a two-part series.

Blur (Changing Colors, Part Two) is LIVE.
