## **I Know I Am, But What Are You?** Samantha Bee

Candid, outspoken, laugh-out-loud funny essays from the much-loved Samantha Bee, the Most Senior Correspondent on *The Daily Show* with Jon Stewart .

Critics have called her “sweet, adorable, and vicious.” But there is so much more to be said about Samantha Bee. For one, she’s Canadian. Whatever that means. And now, she opens up for the very first time about her checkered Canadian past. With charming candor, she admits to her Lennie from *Of Mice and Men*–style love of baby animals, her teenage crime spree as one-half of a car-thieving couple (Bonnie and Clyde in Bermuda shorts and braces), and the fact that strangers seem compelled to show her their genitals. She also details her intriguing career history, which includes stints working in a frame store, at a penis clinic, and as a Japanese anime character in a touring children’s show.

Samantha delves into all these topics and many more in this thoroughly hilarious, unabashedly frank collection of personal essays. Whether detailing the creepiness that ensues when strangers assume that your mom is your lesbian lover, or recalling her girlhood crush on Jesus (who looked like Kris Kristofferson and sang like Kenny Loggins), Samantha turns the spotlight on her own imperfect yet highly entertaining life as relentlessly as she skewers hapless interview subjects on *The Daily Show*. She shares her unique point of view on a variety of subjects as wide ranging as her deep affinity for old people, to her hatred of hot ham. It’s all here, in irresistible prose that will leave you in stitches and eager for more.
