**Perfect Hostage: A Life of Aung San Suu Kyi, Burma's Prisoner of Conscience** Justin Wintle

**"The trouble is that I know too much."—Aung San Suu Kyi**

Burma is a country where, as one senior UN official puts it, "just to turn your head can mean imprisonment or death." Aung San Suu Kyi is considered to be Burma's best hope for freedom, and, because of her unwavering commitment to nonviolent resistance to the country's brutal military junta, she has been under house arrest since 1989. Elected Prime Minister, she was prevented from taking office, but despite failing health, vilification at the hands of the Burmese media, and actual imprisonment in one of the world's most appalling jails, Suu Kyi has persevered in a campaign of nonviolent protest as unflagging as those of Gandhi, King, and Mandela, which earned her the Nobel Peace Prize in 1991. In *Perfect Hostage*, the most thorough biography of Suu Kyi to date, Justin Wintle tells both the story of the Burmese people and the story of an ordinary person who became a hero.

*"She's my hero."*—Bono

*"In physical stature she is petite and elegant, but in moral stature she is a giant."*—Archbishop Desmond Tutu, 1984 Nobel Peace Prize Recipient

*"It is time for all respectable members of the international community to put weight behind their words and take active measures to secure the freedom of Aung San Suu Kyi and the Burmese people."*—Senator John McCain 43 black-and-white photographs
