Jean Brashear

A trilogy of emotional and sexy Texas romance novels from New York Times and USA Today bestselling Texas romance author Jean Brashear, the TEXAS HEROES: The Gallaghers of Morning Star series is rich with emotion, ripe with secrets, scandals and sexual tension.

Dalton Wheeler vanished from Morning Star, Texas nearly forty years ago under suspicion of murder, leaving behind him a trail of secrets, scandal and lives torn apart in the wake of his reported death. The woman he loved married another, and life went on. Now the main characters in this tragedy are all gone, and in the wake of the final man's last will and testament, the past has roared back with a vengeance. Secrets will be revealed and the lives of four people will be shattered as they learn that who they are and where they come from is not at all what they always believed.

TEXAS SECRETS

Up-and-coming chef Maddie Collins finds out that her father's life was a lie when she is bequeathed a family homeplace she never knew existed—by the husband of the only woman her father ever loved. A former SEAL, sexy cowboy Boone Gallagher arrives back in Texas to discover that the father who drove him away has struck one last blow. The only place he's ever thought of as home now belongs to a woman who doesn't want it, and he must keep her there for thirty days—or it will be lost to them both.

TEXAS LONELY

Mitch Gallagher is a loner, down to the bone. Banished at sixteen from everything and everyone he held dear, he's an intensely private man whose rusty, unused heart long ago gave up on love. Fragile Perrie Matheson is on the run to protect her beloved son. Too ill to travel further with a winter storm on the way, she has no choice but to gamble her child's safety on a man who wants only to be left alone. But during days spent together in the mountain cabin, Mitch and Perrie each find surprises in store...and all the reasons they should stay apart battle with the yearnings of hearts too long denied love.

TEXAS BAD BOY

Everyone thinks Lacey DeMille is the next thing to royalty, a society girl with beauty, brains and money—but sexy Texas bad boy Devlin Marlowe knows better. Twenty years after being exiled in disgrace for daring to want her, the boy from the wrong side of the tracks has sweet revenge in his grasp...for only he knows that her whole life is built on a lie.

And revenge may be more costly than either of them can imagine.
