Daisy Meadows

From the moment they met their first fairy at the end of a rainbow, Rachel and Kirsty have been good friends to Fairyland, helping the fairies defend their home against mean Jack Frost, who is on a constant quest to steal their magic. Now the villain and his goblins have stolen the seven jewels from Queen Titania's crown. Without them, the Jewel Fairies can't do their important jobs -- seeing the future, providing dream magic, making things grow and shrink and disappear, and turning girls into fairies. The magic in Fairyland is fading fast, so Rachel and Kirsty must come to the rescue! Follow their adventures in all seven books of the Rainbow Magic Jewel Fairies series. Includes all seven books in the series: India the Moonstone Fairy, Scarlett the Garnet Fairy, Emily the Emerald Fairy, Chloe the Topaz Fairy, Amy the Amethyst Fairy, Sophie the Sapphire Fairy, and Lucy the Diamond Fairy.
