Four of beloved author Neil Gaiman's delightfully scary, strange, and hilarious children's tales read by the author, now available unabridged. This collection includes:

*The Day I Swapped My Dad for Two Goldfish*: An unforgettable story that will take readers on a journey into the murky mind of a young boy and the perils of striking a bargain.

*The Wolves in the Walls*: Lucy is sure there are wolves living in the walls of their house -- and, as everybody says, if the wolves come out of the walls, it's all over. Her family doesn't believe her. Then one day, the wolves come out.

*Cinnamon*: This charming fable of an exotic princess who refuses to speak currently exists only on Neil's official website and has never been published in print or any other format.

*Crazy Hair*: Bonnie tries to comb the narrator's crazy hair -- where gorillas leap and tigers stalk -- and is in for a surprise in this delightful rhyming tale.
