The Voyage of the Santa Evangelista

The Voyage of the Santa Evangelista Rev. William C. Mack

The Voyage of the Santa Evangelista is an adventurous, thrilling allegory about the Biblical teachings of vocation and evangelism—how they are a part of, and complement, each Christian. The ship represents the Church, and those on board represent the various vocations within the body of Christ and how their callings were made to proclaim the Good News of Jesus Christ.

In The Voyage of the Santa Evangelista, Rev. Mack has creatively and effectively intertwined the thoughts and lives of fictional characters with the doctrine of vocation and evangelism. Set in the time following the discovery of the New World and the Reformation, the reader sets sail with the captain, crew, and passengers of the Santa Evangelista on a voyage of self-examination. Through the characters he has imagined, Rev. Mack teaches a Biblical understanding of Christian purpose in every action of life that is inextricably linked to the mission of God and His final goal for His elect children to enter into heaven.
