Warning Signs Stephen White

Sometimes the warning signs come too late...

The brutal slaying of Boulder's controversial D.A. strikes deep in the heart of everything clinical psychologist Alan Gregory holds dear: After all, Alan's wife, Lauren, worked for the dead man.

When a new patient walks into Alan's office—a terrified mother with an explosive secret—he finds himself edging even closer to the darkness. Soon her privileged exchanges convince Alan that a crime is about to be committed. And when he uncovers a shocking link to the D.A.'s slaying, Alan is suddenly locked in the ethical dilemma of his career, thrust into a desperate manhunt for a killer whose identity no one could have guessed.

As the minutes tick down, **Warning Signs** explodes into a gripping story of crime and punishment, tragedy and retribution—and of human beings caught in the shattering cross fire of forces beyond their control...forces sometimes within themselves.
