They had nothing in common but a desperate passion... Billionaire Jason Denning lived life fast and hard in a world where anything could be bought and sold, even affection. But all that changed when he met “Greta,” a beautiful stranger ready to explore her hidden desires. From a blue collar family, Gia Angelotti wore a badge, fought for right—and opened herself utterly to love him. Blindsided and falling hard, Jason does the first impulsive thing of his life and hustles her to the altar. Until a second chance proved that forever could be theirs. Then tragedy ripped Jason’s new bride from his arms and out of his life. When he finds Gia again, he gives her a choice: spend the three weeks before their first anniversary with him or forfeit the money she receives from their marriage. Reluctantly, she agrees to once again put herself at his mercy and return to his bed. But having her right where he wants her is dangerous for Jason’s peace of mind. No matter how hard he tries, he finds himself falling for her again. Will he learn to trust that their love is real before Gia leaves again for good?
