Lyrics Of My Life: Lustful Melodies Elle Banks

Music is the only thing Elle Banks can rely on to keep her sane after a traumatic experience at a young age rocked her world. She craves something bigger than boring high school football games, her Granna's lame family dinners; and shoveling manure on her Pappa's farm. But the road she walks continually leads her to lost innocence and increases the struggle to become something...anything.

Elle has no reason to believe in love until she meets Jason Ricci, a gorgeous, charming football-playing, hesher who can melt her outer core with just a smile. They were made for each other, and she believes she has found true love in its purist form. As their intense affair takes her to sexual and emotional heights, Elle finds she can finally open her heart and give it all to Jason.

However, Elle is finding out that Jason may not be the complete man that she thought him to be, and she decides to take an unexpected turn that will change her life's course forever.
