Imagine discovering what successful people have in common, distilling it into a set of simple practices, and using them to transform your life and work. Authored by three legends in leadership and self-help — including *Built to Last* co-author Jerry Porras — it challenges conventional wisdom at every step. *Success Built to Last* draws on face-to-face, unscripted conversations with hundreds of remarkable human beings from around the world. Meet billionaires, CEOs, presidents of nations, Nobel laureates and celebrities — the rich, the famous and the unknown. Meet unsung heroes who've achieved lasting impact without obvious power or charisma. Famous or not, most started out ordinary. Discover how successful people "harvest" their strengths and their weaknesses, their victories and their surprising failures. Discover how you can find meaning in your life and work just as they did and summon the courage to follow your passions. Above all, see how they've sustained success *for decades* and you can too.
