**The Art of the Trade: What I Learned (and Lost) Trading the Chicago Futures Markets** Jason Alan Jankovsky

*The Art of the Trade* is a searing portrait of the futures and options industry as seen through the eyes of someone who has participated in this arena for more than twenty years. On one level, it's a brutally honest, no-punches-pulled look at the individuals and institutions that comprise this unique community. On another level, *The Art of the Trade* is a personal story of the challenges author Alan Jankovsky faced as he battled the markets, the brokerage industry, and his own early penchant for self-destruction.
